

Hiring for an Investment Analyst (CA Article)

Location: South Extension, New Delhi

Type: Articleship (Only for first-year CA Articles, transfer cases not eligible)

Last Date to Apply: Saturday, 7th June 2025

About Makia Capital

Makia Capital is a Venture Capital fund focused on SME investments and Pre-IPO opportunities. Based in South Extension, New Delhi, we work closely with promising companies to craft strategic business roadmaps and support them through their journey to listing on the SME or Main Board platforms. With our in-house team of advisors and mentors, we aim to bridge capital with long-term value creation.

Role Overview

We are looking to onboard a **first-year CA Article** as part of our investment team. This role offers a unique opportunity to gain hands-on experience in venture capital, deal-making, fund operations, and portfolio support.

Key Responsibilities

- *Investor & Client Relations*
 - Assist in maintaining strong relationships with investors and ecosystem partners
 - Prepare presentations, reports, and performance updates for stakeholders
 - Coordinate communication with Limited Partners (LPs)
- *Due Diligence & Compliance*
 - Participate in due diligence for potential investments
 - Assist in ensuring regulatory and fund compliance, including documentation and filings

- *Fund Management Support*
 - Contribute to financial analysis, portfolio tracking, and market research
 - Help in execution of fund strategies and operational processes
- *General Administration*
 - Prepare reports, investment briefs, and analytical documentation
 - Engage in other activities as required to support the business operations.

Requirements

- Must have **cleared both groups of CA Inter**
- **First-year CA articles only** (Transfer cases will **not** be considered)
- Based in Delhi or willing to relocate
- Strong interest in finance, investing, and entrepreneurship
- Analytical mindset with a proactive, self-starter attitude

Why Join Us

- Work directly with experienced professionals and fund partners
- Get real exposure to venture capital, Pre-IPO markets, and fund operations
- Contribute meaningfully to real-world investments and strategies
- Competitive stipend aligned with industry standards
- Be part of a fast-growing investment platform focused on SMEs

How to Apply

Interested candidates must apply through the Google Form linked below. Please ensure all responses are accurate and complete.
